AMADOR JUNIOR TEAM TENNIS: Level 2 (Orange Ball)

First Match ONLY (or as-needed):

1. Reminder about good sportsmanship and season-end trophy.

2. Review lines prior to match play.
   Everything in the court is 'in' except behind the blue 3/4 court baseline.
   Ignore all other blue lines and use regulation white lines (except for baseline).

3. Remind players there are A LOT of rules in tennis and we are all learning together! Encourage returning players to help new players.
   If you dont get all 3 rounds/rotations in at the first match, thats OK!
   Make sure there is at least one Coach per court to help players with lines/rules.

4. Addressing parents: Let players make their own line calls (Coaches will only chime in to help as they are learning - we will also be teaching them how to work it out for themselves or with their opponent. And please cheer on your players between points! (just not during a point).
   At Amador, you are welcome to come down and watch, but please stay off the court and court benches. Please stay outside of the fence.

5. Bathroom & water spigot locations.

WEEKLY REMINDERS (BEFORE COURT ASSIGNMENTS):

1. Call balls, lines, and scores nice and LOUD!
2. Drink water & sit in shade on changeovers (REQUIRED).
3. When time is called, shake hands or tap racquets at the net and say 'good game!' to your opponents & report your scores. If you are in the middle of a game when time is called, the score reverts back to the previous game score.
4. Help eachother keep balls clear. If your ball rolls on to another court, yell really loud 'ball ON'! That team can stop and re-do the point.
5. Additional Announcements_____
6. Take your water bottles with you, spin your racquets to get started, and remember the #1 Rule of Tennis!? HAVE FUN! (give court assignments)

GENERAL REMINDERS TO COACHES (you don't have to announce these, necessarily):

1. If players want to play singles, remind them to play singles lines.
2. If players are in the middle of a game when time is called, the final score reverts back to previous game score.
3. NEVER call the ball out before it bounces.
4. DO NOT call your own balls out. Let the other team make the call.
   We appreciate your honesty, but its part of the game. If they dont make the call, you play it and you may get the point.
   Parents should not overturn a player's call.
5. If you are unsure if the ball was in or out, the other team gets the point. Good sportsmanship!
6. You can hit the ball and then call the ball out afterward. Always be prepared and hit every ball, even if you think its going out!
7. IF YOU ENCOUNTER ANY OTHER EXAMPLES, PLEASE SEND THEM TO JTT@AMADORTENNISCLUB.ORG AND WE'LL ADD THEM HERE!
